

BS2009 Applications Day - Wednesday 29 July

9:00-9:40	<i>Keynote speaker</i> : Bill Bordass, of William Bordass Associates,				
9:40-10:20	Parallel session, 2 papers Performance Assessment	Parallel session, 2 papers Simulation in the Design Process	Parallel session, 2 papers Lighting and Daylighting	Parallel session, 2 papers Simulation and the User	Parallel session, CIBSE Schools Design theme
10:20-11:00	Coffee				
11:00-11:20	Presentation by Integrated Environmental Solutions Ltd				
11:20-11:40	Presentation by EDSL Ltd				
11:40-12:20	Parallel session, 2 papers Performance Assessment Tools and Analysis	Parallel session, 2 papers CFD and Air Flow in Design Practice	Parallel session, 2 papers Dealing with Climate Change	Parallel session, 2 papers Design Case Studies 1	Parallel session, CIBSE Schools Design theme
12:20-13:40	Lunch				
13:40-14:00	Presentation by VABI				
14:00-14:20	Presentation by EQUA				
14:20-15:00	Parallel session, 2 papers Tool Calibration	Parallel session, 2 papers Design Process and Data Quality Assurance	Parallel session, 2 papers Design Case Studies 2	Parallel session, 2 papers Environmental Impact and LZC Assessment	Parallel session, CIBSE Schools Design theme
15:00-15:40	Coffee				
15:40-16:00	Presentation by DesignBuilder				
16:00-16:20	Plenary Paper 1: Chip Barnaby, VP of research at Wrightsoft Corporation				
16:20-16:40	Plenary Paper 2: Ant Wilson, director of AECOM				
16:40-17:00	Plenary Paper 3: Dejan Mumovic, Lecturer in Environmental Design and Engineering, Bartlett School, University College London				
17:00-17:20	Plenary Paper 4: Ken McLean, Director of WSP Buildings				
17:20-18:00	Applications panel discussion and review of day.				
Evening	Banquet
